

GIANT ANT COLONY?

DOMINANT® 1% = GIANT KILL

Large colonies of ants require large amounts of bait. DominAnt 1% is formulated to have all the attractants of regular DominAnt with a 1% A.I. that gives ants the time to feed the entire colony.

DominAnt 1% is specifically formulated for very large or multi-queen ant colonies. The lower active ingredient allows for greater consumption, which helps spread the bait throughout the larger colonies.

This gives you effective control over big ant problems.

Labeled for Argentine ants.

Remember, always read, understand and comply with the label. DominAnt and Nisus Corporation are registered trademarks of Nisus Corporation. ©2017 Nisus Corporation #DOM1-FLY-0117
